MEMBERSHIP TIERS ARE BASED ON ANNUAL REVENUES. Digital Twin Consortium offers membership tiers based on your organization's revenue. Member services correspond with these tiers, as shown in this table.

- Contributing Members
- Revenue $200M+
- Revenue $50M-$200M
- Revenue $5M-$50M
- Revenue up to $5M
- Government
- University/Non-Profit
- $0 Revenue Startup

WORKING GROUPS. Every member is eligible to participate in Working Groups, which are teams of members that collaborate to address the technology and business needs of specific vertical and horizontal markets. Industry Working Groups include: Aerospace and Defense, Healthcare and Life Science, Infrastructure, Manufacturing, Natural Resources, and Technology, Terminology & Taxonomy. Members can also suggest additional Working Groups pending Steering Committee approval.

BENEFITS FOR ALL MEMBERS. Digital Twin Consortium benefits extend to all employees of your organization. Complete benefits for all members are shown below:

- **Promotional Opportunities**
  Publish your company’s listing in the member directory on our website; Your logo will appear in relevant collateral, conference presentations, analyst and media reviews.

- **Networking**
  Collaborate and brainstorm with industry peers within Working Groups and at Quarterly Member meetings.

- **Sub-Groups and Tiger Teams**
  All members can participate in teams across verticals. Current projects include Security & Trustworthiness, Interoperability, Modeling & Simulation, and Business Maturity.

- **Marketing Amplification**
  Receive social media support (Twitter and LinkedIn) for your digital twin-related events and publications.

- **Branding**
  Display the Digital Twin Consortium membership badge in your personal and corporate branding materials.

- **Shape the Future**
  Our members influence best practices, and future standard requirements for digital twin technology, architecture, and frameworks.

- **Thought Leadership**
  Receive industry recognition as a leader in digital twin through your association with the Consortium.

- **Exclusive Content**
  Gain access to member-exclusive Use Cases, Presentations, and Videos in our member portal.
If your organization is also a member of [Object Management Group](https://www.omg.org) or [Industrial Internet Consortium](https://www.iicconsortium.org), you may qualify for an annual [multi-program discount](https://www.omg.org/bd). The Founding Member level for Digital Twin Consortium is closed. Contributing Member status provides the same benefits as Founding Member and includes a seat on the Steering Committee.

**CONTRIBUTING MEMBERS.** Contributing Members acquire a leadership position governing the Digital Twin Consortium. New and re-elected Contributing Members are selected by the other members in the Contributing Member category during the annual election cycle.

Contributing Members receive the following benefits:

- **Steering Committee Seat.** Four-year commitment with a guaranteed seat.
- **Branding.** Acknowledgement as Contributing Members on the Digital Twin Consortium website, collateral, conference presentations, analysts and media interviews and all other public and internal membership materials.
- **Quarterly Meeting Passes.** Four passes for use by anyone in your organization.
- **Quarterly Exhibit Table.** An exhibit table at our quarterly meetings.
- **Post White Papers.** Enhanced marcom promotions, including posting digital twin white papers.
- **Event Promotion.** Enhanced event support, including promotion of your events on the Digital Twin Consortium Events Page plus social media support.
- **Co-Branded Webinar.** Ability to co-brand and host a use-case-centric or thought leadership style Webinar on the Digital Twin Consortium Webinar platform, BrightTALK.
